International Paper Published during 2015 – 2017

Author: Prof. Bhagyashree pathak

Sr. no	TITLE	JOURNAL	PUBLICATION DETAILS
1	**Information Retrieval from Heterogeneous Data sets using Moderated IDF-Cosine Similarity in Vector Space Model**	**IEEE Xplore digital library ICECDS-SKR 2017 conference, SKR-IEEE-ECDS-0540, 1st and 2nd august,p.p.1-6.**	**Accepted and Presented**
2	**A survey on clustering methods in Data mining**	**International Journal of Computer Applications(IJCA)**	**(0975 – 8887), Volume 159 – No 2, February 2017.**
3	**Mining of unstructured data using clustering approach**	**International journal of engineering research & management technology(IJERMT)**	**ISSN 2348-4039, Volume-III Issue-VI, December 2016**
4	**Malicious node detection in wireless sensor network using stop transit and listen scheme**	**1st international conference on computing and informatics**	**(NCCI 2015) Presented**
